Food

PLEASE READ

The MJCC also has strict rules around outside food and drinks. Everything that is consumed in the facility needs to have been packaged in a Kosher kitchen. **Therefore, we ask that you refrain from bringing outside food/drink into the facility.** If you would like to bring your own food/drink, it can be consumed outside on the benches or in your car.

We will have snacks and drinks available that have been cleared by the MJCC. There are also a few food options in the area if you want to grab lunch. Cider Mill and Fryer Tuck is a restaurant that's on the same block within walking distance. If you have a car, there are options right down the road on the corner of SW Capitol Highway and SW Multnomah that you can see by using google maps.

Volunteer

Hey players—want to help make the tournament run smoothly? Consider signing up to volunteer. We could use help with set-up, player check-in, and take-down. It's a great way to support the community, keep things running on time, and connect with more players. Even a little time makes a big impact—thanks for pitching in!
